

## Project objective

- Development of the chemical cluster on the basis of existing industrial complex of Mogilev and Mogilev region

## Required investments

- EUR 1 mln at least

## Project status

- For project implementation the required infrastructure is provided at site No. 4 of Mogilev FEZ

## Products

- Foamed PVC, rigid polyurethane foam, PP, synthetic rubber, paint materials, BCF yarns and other products

- 29% of the industrial output of Mogilev region belongs to the chemical enterprises
- There is a considerable and stable demand for many types of chemical products imported to Mogilev region. Creation of local manufactures of such products is of current concern.
- Highly qualified personnel
- Availability of land lots with required infrastructure
