Project status

Searching for investors

## Prerequisites of project implementation in "Mogilev" FEZ

- The need of the Republic of Belarus in the furniture fittings are mainly satisfied by import supplies
- Insufficient volume of production and quality of furniture accessories in the Eurasian Economic Union countries, as well as a minor product range of domestic production
- The annual demand of the Belarusian market in these products is more than 55 mln. USD.
   The market is developing dynamically
- Possibility of cooperation (localization of production) with large enterprises residents of FEZ "Mogilev" manufacturers of furniture
- The products will be sold at the domestic market of the Republic of Belarus, as well as in the markets of the Eurasian Economic Union countries and EU
- The market of furniture fittings is in a state of constant growth. The Republic of Belarus imports annually more than 12 tons of various furniture fittings. Marketing researches shows that over 67% of furniture accessories on the market of Russian Federation are imported products (in terms of money more than \$ 1 billion USD)
